INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE (Attachment 3)

To the Board of Directors and Shareholders of Ton Yi Industrial Corp.

Opinion

We have audited the accompanying parent company only balance sheets of Ton Yi Industrial Corp. (the "Company") as of December 31, 2020 and 2019, and the related parent company only statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the parent company only financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying parent company only financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2020 and 2019, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and generally accepted auditing standards in the Republic of China. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the parent company only financial statements section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountants of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that these audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Company's 2020 financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Existence of sales revenues

Description

Refer to Note 4(26) for the accounting policy on revenue recognition. The Company's sales revenues for the year ended December 31, 2020 was NT\$14,306,713 thousand.

The primary business of Ton Yi Industrial Corp. is selling Tin Plate products. The Company has a large volume of transactions from sales of numerous kinds of products to a wide range of customers in many different locations such as Taiwan, Asia, Europe, America, etc. For the customers and dealers who are from remote districts, the sales revenue transactions need more time for verification. This matter also exists in the subsidiaries of Ton Yi Industrial Corp. (investments accounted for using equity method). Thus, the existence of sales revenue has been identified as a key audit matter.

How our audit addressed the matter

Our key audit procedures performed in respect of the above key audit matter included the following:

1. Inspecting whether approved additions to the merchandise master file data had been correctly entered in the merchandise master file which include basic information of customers, such as name of representative, location of company, amount of capital and scope of business for evaluating the creditworthiness of buyers.
2. Understanding, evaluating and validating management's controls in respect of the Company's sales transactions from customer order's approval, goods delivery, sales recording, reconciliation of cash receipts and customer's records to subsequent settlement of trade receivables. In addition, testing the effectiveness of internal control environment over revenue recognition.
3. Performing substantive test on selected sales transactions including confirming orders, shipping documents, invoices and cash receipts to verify the existence of sales revenues.

Inventory valuation

Description

Refer to Note 4(7) for accounting policy on inventory valuation, and Note 5(2) A for the accounting estimates and assumption uncertainty in relation to inventory valuation and Note 6(3) for details of inventories. For the year ended December 31, 2020, inventory and allowance to reduce inventory to market amounted to NT\$1,944,852 thousand and NT\$70,000 thousand, respectively.

The Company's raw materials are often subject to fluctuations in the international steel prices. However, as the Tin Plate products are considered necessities, such price changes may not be immediately reflected in material costs. In addition, the competition landscape within the steel industry in China will continue to affect the price of raw materials that would impact the estimation of net realizable value of inventory. This matter also applies to the subsidiaries of Ton Yi Industrial Corp. (investments accounted for using equity method). Thus, the inventory valuation has been identified as a key audit matter.

How our audit addressed the matter

Our key audit procedures performed in respect of the above key audit matter included the following:

1. Evaluating the adequacy of allowance for inventory and the consistency of provision policy.
2. Assessing the reasonableness of the estimation of net realizable value of Tin Plate products and discussing with management and examining related documents to confirm the adequacy of allowance for price decline.

Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Company's financial reporting process.

Auditors' responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the generally accepted auditing standards in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the generally accepted auditing standards in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance, including audit committee, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance, including audit committee, with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, including audit committee, we determine those matters that were of most significance in the audit of the parent company only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

INDEPENDENT AUDITORS' REPORT

(Attachment 4)

To the Board of Directors and Shareholders of Ton Yi Industrial Corp.

Opinion

We have audited the accompanying consolidated balance sheets of Ton Yi Industrial Corp. and its subsidiaries (the "Group") as of December 31, 2020 and 2019, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2020 and 2019, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and generally accepted auditing standards in the Republic of China. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountants in the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Group's 2020 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Existence of sales revenues of Tin Plate products

Description

Refer to Note 4(28) for the accounting policy on revenue recognition. The Group's sales revenues for the year ended December 31, 2020 was NT\$17,488,536 thousand.

The Group has a large volume of transactions from sales of numerous kinds of products to a wide range of customers in many different locations such as Taiwan, Asia, Europe, America, etc. For the customers and dealers who are from remote districts, the sales revenue transactions need more time for verification. Thus, the existence of sales revenue of tin plate products has been identified as a key audit matter.

How our audit addressed the matter

Our key audit procedures performed in respect of the above key audit matter included the following:

1. Inspecting whether approved additions to the merchandise master file data had been correctly entered in the merchandise master file which include basic information of customers, such as name of representative, location of company, amount of capital and scope of business for evaluating the creditworthiness of buyers.
2. Understanding, evaluating and validating management's controls in respect of the Group's sales transactions from customer order's approval, goods delivery, sales recording, reconciliation of cash receipts and customer's records to subsequent settlement of trade receivables. In addition, testing the effectiveness of internal control environment over revenue recognition.
3. Performing substantive test on selected sales transactions including confirming orders, shipping documents, invoices and cash receipts to verify the existence of sales revenues.

Inventory valuation of Tin Plate products

Description

Refer to Note 4(9) for accounting policy on inventory valuation, and Note 5(2) for the accounting estimates and assumption uncertainty in relation to inventory valuation. For the year ended December 31, 2020, inventory and allowance to reduce inventory to market amounted to NT\$2,472,451 thousand and NT\$84,111 thousand, respectively.

The Group's raw materials are often subject to fluctuations in the international steel prices. However, as the Tin Plate products are considered necessities, such price changes may not be immediately reflected in material costs. In addition, the competition landscape within the steel industry in China will continue to affect the price of raw materials that would impact the estimation of net realizable value of inventory. Thus, the inventory valuation has been identified as a key audit matter.

How our audit addressed the matter

Our key audit procedures performed in respect of the above key audit matter included the following:

1. Evaluating the adequacy of allowance for inventory and the consistency of provision policy.
2. Assessing the reasonableness of the estimation of net realizable value of Tin plate products and discussing with management and examining related documents to confirm the adequacy of allowance for price decline.

Other matter – Parent company only financial reports

We have audited and expressed an unmodified opinion on the parent company only financial statements of Ton Yi Industrial Corp. as of and for the years ended December 31, 2020 and 2019.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted auditing standards in the

Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with generally accepted auditing standards in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance, including audit committee, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance, including audit committee, with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, including audit committee, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

A proxy solicitor shall provide such identification documents for verification as well. A shareholder shall submit the sign-in card as a substitute for sign-in to represent its attendance of the meeting. The total number of shares present at the meeting shall be calculated based on the sign-in cards plus the number of shares exercising their voting power in writing or through electronic transmission.
4. The attendance and vote of a shareholders' meeting shall be computed on the basis of the number of shares.
5. A shareholders' meeting shall be held on the premises of the Company or a place that is convenient for shareholders to attend. A shareholders' meeting shall start no earlier than 9 a.m. or no later than 3 p.m.
